REVENUE BRANCH

Sir,

I have the honour to forward herewith copies of letters Nos. D.C.1201/22-23 dated 29th February 1924 and 30th June 1924 respectively, received from the Deputy Commissioner, Mysore District, regarding the maintenance work of Ramachandra Agragar tank, Nagamangala Taluk and to request that, under the circumstances detailed therein, sanction of Government to the Deputy Commissioner's proposal that the raiyats' liability to the extent of Rs. 399/- being the difference between the estimated amount viz, Rs. 840/- and the amount of assessment under the tank viz. Rs. 441/- may be waived be kindly obtained and communicated to this Office at a very early date.

It was reported by the D.C. in his letter dt 29.2.24 (D), that the ryots had paid only Rs 436-8-10 while their liability was Rs 441. It is to be presumed that their contribution has been fully recovered since. Subs for orders as to whether the information has to be called for or whether the recommendation may be sanctioned.

I have the honour to be,

Sir,

Your most obedient servant,

K Chandy

Letter No.O.C. 1201/23-24 dated 30th June 1924 from the Deputy Commissioner, Mysore District, to the Revenue Commissioner in Mysore , Bangalore.

With reference to your letter No.C. 2977/23-24 dated

re: the estimate for the maintenance work of Ramachandra Agrahar tank, Nagamangala Taluk, I have the honour to state that it is reported that the crops have failed and that there is keen demand for labour.

2. In this connection,I would invite kind reference to this Office letter No.H.C.291/23-24 dated 29th January 1924 wherein it was reported that the maintenance work of this tank had been started. It is now reported that the work is nearing completion that the poor people of the neighbouring eight villages worked on this tank to earn their livelihood.

3. Under these circumstances, I request,theraiyats' liability to the extent of Rs. 399/- being the difference between the estimated amount and the annual assessment under the tank may be waived.

Letter No.O.C.1201/23-24 dated 29th February 1924 from the Deputy Commissioner, Mysore District, to the Revenue Commissioner in Mysore.

I have the honour to state that an estimate amounting to Rs. 525/ for carrying out the maintenance work of Ramachandra Agrahar tank, Nagamangala taluk was sanctioned in July 1921 by the late Maramat Department, the raiyats having failed to carry out the work themselves. As the raiyars did not pay the amount in time the work was not taken up for execution. After the amalgamation of Maramath Department with the Public Works Depattment the raiyats have paid Rs. 436-8-10. As the estimate is unworkable now at the rates provided in the sanctioned estimate, the same was revised and an estimate amounting to Rs. 840/- has been received from the Executive Engineer, Mysore Division for countersignature. The annual assessment under the tank being Rs. 441/-, the estimate exceeds this by Rs. 399. Under these circumstances I request to be informed if the estimate can be countersigned and returned for execution to the Executive Engineer. The favour of early orders is requested.
